# 2025 MD105 Youth Camp

**11th August to 21st August 2025**

**Venue**

Royal Masonic School for Girls, Rickmansworth, London, England

The Lions of the British Isles extend an invitation to all Lions Clubs to sponsor young people between the ages of 18 and 21 to attend the 55th International Youth Centre to be held in Multiple District 105, at the Royal Masonic School, Rickmansworth.

The aim of the Camp is to promote international understanding among young people of the world, encourage racial and cultural harmony and an understanding of the needs of others.

Youth Camp participants must be sponsored by a Lions Club in their own country. That Club will be responsible for ensuring that travel insurance is in place and that they have adequate spending money for the duration of their stay in the British Isles.

A full and varied programme has been designed to promote cultural awareness.

It will include sightseeing tours, entertainment and the opportunity to communicate and exchange ideas with other participants and your hosts.

All Youth Camp participants will be expected to participate fully in all the activities arranged and will also be asked to give a short presentation on their own country. It is essential that participants have a good command of English Language.

An invitation to spend ten days living with a Lions' family in the British Isles will be extended to all participants.

This will give them the opportunity to experience our way of life and become adjusted to this country before attending the Youth Camp.
